

Anti-Tonic

You Cannot Lose

You cannot lose in trying it, in giving it a chance, in seeing what it will do. You cannot go wrong in testing it for twenty-five days, in doing as hundreds of readers of this paper have already done, for you don't pay a penny until it is proven, until you can say, with a heart full of gladness and gratitude: "It is all right. It is the best thing I ever struck. It is an honest remedy. It makes health on the right idea." You run no risk, for we take positively and absolutely all the risk.

You Have All to Win And Nothing to Lose

When it proves it can restore your health, you will gladly pay for it. If it fails, we lose. You have absolutely nothing at stake in trying it, in using it, in seeing if it will not do for you the wonderful work it has done for thousands. Bodi-Tone

does just what its name means—cures disease by toning all the body, and we want you to try a box at our risk and see what it will do for your body. Bodi-Tone is a small, round tablet, that is taken three times every day. Each box contains seventy-five of these tablets, enough for twenty-five days' use, and we send you the full box without a penny in advance, so that you can try it and learn what it is, so you can learn how it works in the body, how it cures stubborn diseases by helping nature to tone every organ of the body. Tone is a little word, but it means a great deal, everything in health. When all the organs are doing their part, when each is acting in a perfectly natural way, when all the functions are healthy and performed with natural vigor, when the energy, strength and power of resistance to disease are all at a natural point, then the body is in proper tone. Bodi-Tone makes all of the body help in the cure by restoring tone to each and every part. This is the power which underlies all of Bodi-Tone's great work for the sick; this is the way it cures disease and makes healthy bodies; this is the power it offers you to help you get new health and new strength.

Not a Patent Medicine

Bodi-Tone is not a patent medicine, for its ingredients are not a secret. It contains Iron Phosphate, Gentian, Lithia, Chinese Rhubarb, Peruvian Bark, Nux Vomica, Oregon Grape Root, Cascara, Capsicum, Sarsaparilla and Golden Seal. Such ingredients guarantee it.

When you use Bodi-Tone you know just what you are using, know it is good and safe and know you are taking the kind of medicine to provide real help for the body. It is a pure remedy that satisfies the most exacting. It contains no narcotics or habit-forming drugs, nothing your own family doctor will not endorse and say is a good thing. It does not depend on killing pain with opium, cocaine, morphine or other dangerous drugs. It does not excite the body with alcohol, but it tones the body and cures its disorders with remedies Nature intended to tone and cure the body when that power was given them. Thus, Iron gives Life and Energy to the Blood, Sarsaparilla drives out its impurities, Phosphate and Nux Vomica create new nerve energy and force, Lithia aids in the Kidneys, Gentian does invaluable work for the Stomach and digestive forces, Chinese Rhubarb and Oregon Grape Root promote vigorous Liver activity, Peruvian Bark raises the tone of the entire system, Golden Seal soothes the inflamed membrane and checks Catharral discharges, Cascara gives the Bowels new life in a natural way, and Capsicum makes all more valuable by bettering their quick absorption into the blood. A remarkable combination that does wonderful work for health.

All For Health

Each one of these valuable ingredients serves to assist, to help, to build upon the others' work. Each adds a needed element from nature to the body. Each has work to do and does it well. They are used because of this ability. We claim no credit for discovering the ingredients in Bodi-Tone, each of which has its own well deserved place in the medical books of most of the civilized world. We simply claim the credit for the successful formula which we invented, for the way in which these valuable ingredients are combined, for the

proportions used, for the curative force which thousands have found in Bodi-Tone. Most of these ingredients are as old as civilization itself, for the curative forces Bodi-Tone uses are the forces which have always existed in nature for the restoration of the body. Many of its ingredients are regularly prescribed by the medical profession for various diseases and irregular conditions, being used either separately or in combination with such drugs as each doctor may favor, for there are wide differences of opinion among the doctors of various schools. The exact combination used in Bodi-Tone is what gives Bodi-Tone the far-reaching and thorough curative and restorative power that makes possible the remarkable cures experienced by Bodi-Tone users, cures which prove the difference between Bodi-Tone and common remedies. That is why we want to send you a box on trial, as soon as you write for it, for we know you will find it different and superior.

Catarrh Affected the Entire System.

CIRCLEVILLE, KANSAS.—I am an old lady, seventy-four years old, and had been ailing for some time before I began to use Bodi-Tone. I had several doctors and had tried a great many patent medicines, but got very little relief. Last spring I was taken down suddenly and had a very sick spell. The doctors said I had Catarrh, and that it had gone clear through my system. I was so short of breath I could hardly go up or down the stairs without stopping to get my breath. I just ached all over, and my whole mouth and tongue were sore and like a piece of raw beef. I could eat nothing but a little broth or potato soup. My Kidneys hurt me so the doctors had to inject a drug into my arms to give me relief. My Bowels would clog so they had to give me injections of warm water and oil—no physics would relieve them. The way I suffered was awful, but thanks to the Lord and the wonderful Bodi-Tone I got up and around again and able to do all the work for a family of five except the washing. I can sew all day and not feel tired. My health has been good all fall and winter, and is now better than it has been for years, and everyone knows that it was Bodi-Tone that did it. SARAH K. ASKREN.

Was Much Emaciated and Almost Helpless.

EVERGREEN, ALA.—I believe Bodi-Tone is the safest remedy, one that can be relied upon. I have been sick for four years with Heart Trouble, Rheumatism, Indigestion and Sick Headache. I was much emaciated, having reduced in flesh from 195 pounds to 120 pounds. While I was sick I spent one hundred dollars with doctors and other medicines that were prescribed and none cured me. I ordered a box of Bodi-Tone to try, and after taking it 25 days I felt like a new man and had gained 18 pounds. I continued to improve as I kept on with it, and have gained 43 pounds in flesh, and I am perfectly well and feel as I did years ago. It is impossible for me to say enough in recommending Bodi-Tone for what it did for me when I was almost helpless. L. F. BROXTON.

Good Work in Change of Life.

BARNESVILLE, GA.—I have been suffering for eight years. The doctors said it was the Change of Life working on me. I suffered with Liver, Kidney and Bladder troubles and a pain in the sides; also Palpitation of the Heart, swimming in the head and Nervous Prostration. I tried all the doctors within my reach for the last eight years, but no cure. At last I saw Bodi-Tone advertised and read the advertisement carefully. It seemed to suit my case exactly, so I sent for it, and am glad I did. It is the best medicine I have ever taken in my life. I wish every sufferer would try it. It has done wonders for me, and my health is ever so much better. MRS. KENNIE BOYT.

Seemed But a Skeleton.

MEADOR, W. VA.—If it had not been for Bodi-Tone I would not be living today. My health had gone so far away that I seemed but a skeleton and could almost see death before my eyes. I give all praise to Bodi-Tone for my recovery. It did what no other medicine could do for me. When I began to use it I weighed only one hundred and one pounds, and now I weigh one hundred and thirty-two. My age is but fifty-eight, but I feel as if I were only about twenty-five. It has brought me out of the shadow of the grave. A. VARNNEY.

Spent Hundreds on Specialists Without Help.

SHAMROCK, TEXAS.—There is no medicine like Bodi-Tone. I have been a sufferer almost all my life from serious diseases, and during the last 35 years have spent hundreds of dollars with specialists for no good. I have had Kidney Trouble and Bronchitis for twenty-six years, and later was afflicted with Nervous Prostration. Since I have taken Bodi-Tone I feel like a boy, although I am 51 years old. I can do my work and never feel tired, and on getting up in the morning I feel fresh and good. I have gained 23 pounds since I commenced its use and am sound and well. J. G. WEAVER.

Regained Health at Seventy-Five Years.

BROWNING, MO.—I am seventy-five years old and have for many years been afflicted with Catarrhal troubles, for which I constantly sought medical aid. When I sent for Bodi-Tone I had an abscess above the right eye, from which pus constantly exuded. This condition was the result of a carbuncle in the eye with which I suffered for months. My physical debility, owing to this and other maladies, was so great I was not able to attend to household duties and could scarcely walk. I began taking Bodi-Tone and gradually regained such health and strength that I now feel altogether like a new person. MRS. H. M. PETERSON.

An Oklahoma Stone Mason's Experience.

STROUD, OKLA.—Bodi-Tone got me back to work again, able to do ten hours hard work in the stone mason trade every day. When I started it I had no strength and could not see to walk about. I had Typhoid and Malarial Fever, followed by LaGrippe, and it left me so that I could hardly rise. I had Rheumatism and was very Nervous. I grew better from using the first box of Bodi-Tone Tablets, and sent for two more boxes. My eyes got better and I can read newspaper print very well now. I had doctored with local doctors for Rheumatism and Nervous trouble for fully seventeen years, and cannot say that any of it did me any real good. The first box of Bodi-Tone surely got me on the right track. D. J. RAIDER.

This War Veteran Was Crippled With Rheumatism.

GLIOUSEVILLE, New York.—I think there is nothing to equal the Bodi-Tone tablets I know what they did for me and think they will do as much for others. I haven't felt so well in years as I do since using Bodi-Tone. I am an aviator, soldier, and served two years in the civil war (Co. E, 1st N. Y. A.). I had the Rheumatism all through me so bad that I could hardly move. I had tried most everything for it, but was still crippled when I first began to read about Bodi-Tone in the National Tribune. I took one box and found they were helping me, so I got more. It has done the work that nothing else would do, and today I am feeling as well as any man can, considering my age, which is sixty-three. Before using Bodi-Tone I would work two or three days, mostly in misery, and then lay off, but now I am working every day and have not lost a day in months. JAMES VAN BROCKLIN.

Cured Dropsy and Dizziness.

MALDEN, WASH.—Before I began to take Bodi-Tone I was bloated with the Dropsy; now that is gone. My head would get so dizzy that I could not work about the stove; now I can cook and do a lot of work, although I am seventy-three years old. I think every old person should use Bodi-Tone. L. MILLS.

Nervous Prostration

Made Life Miserable.

WEATHERFORD, OKLA.—When I began taking Bodi-Tone I was a nervous wreck, and I feel that I might have been in my grave today had it not been for this wonderful medicine. My Heart bothered me so that I could not rest well day or night and sleep could hold out to work half a day at a time. I am now feeling better than I have for fifteen years, for it has been that long since I began to run down in health. When I could not sleep, I would tell me that I was run down and needed a tonic, and they would proceed to prepare same for me. If they helped me at all, it would be very little, and I would soon relapse into that nervous condition. Women will understand how I felt. Since my baby came, two years ago, I have been a walking skeleton. A year later I collapsed completely. The doctor said it was Nervous Prostration. I thought I was going to die. I was so miserably ill. At this time I saw Bodi-Tone advertised and procured a box. But when I had taken all of it I had improved wonderfully, and I kept on taking it for awhile longer. This was four months ago, and I can truly say that I feel like a new person. MRS. M. WEAVER.

Now Sound and Well.

WILLISVILLE, ILL.—I have never taken a medicine that filled the bill more perfectly than Bodi-Tone. My Kidneys troubled me for five years. I doctored with different doctors, who did no good. I used all kinds of Bodi-Tone, and am sound and well. I am helping others to get well by telling how Bodi-Tone cured me. D. E. VARELL.

Did Not Do a Day's Work in Over Two Years.

MARTINSVILLE, IND.—About nine years ago I took a bad cough, which later developed into chronic Bronchitis. I doctored with different doctors, but their treatment and prescriptions gave me no relief. Then I became afflicted with Stomach trouble and Liver complaint. I paid out fully eight hundred dollars to the doctors and for medicines, but cannot say that any of it gave me any real benefit. I had not done a day's work for over two years.

Stomach Trouble Cured.

SALEM, OREGON.—I want to speak a good word for Bodi-Tone, for it has done so much for me. My stomach trouble is gone and I find that I can eat things which I dared not touch before, and experience no difficulty. I have no symptoms of the trouble which caused me so much misery in the past, and feel so grateful to Bodi-Tone for its disappearance. MRS. LULU DINGER.
